

2016 Notice of Road Closures

Once again the Brampton Board of Trade Santa Claus Parade will be coming your way on Saturday, November 19, at 5:00 pm. Your co-operation in the past has assisted us in presenting Canada's Best Community Parade as voted on by the Canadian Chamber of Commerce. With an average crowd along the parade route exceeding 125,000 and a television audience of over 250,000 the parade has become the Region of Peel's largest single day event.

We are again asking for your co-operation with the 2016 Santa Claus Parade. In order to facilitate the assembly of the parade some road closures/restrictions will be in effect. The following are the road restrictions, which will be in effect on Saturday, November 19, 2016.
